Item 18

The Board of Directors proposes that the Meeting resolves to introduce a long-term share based incentive program ("LTIP 2014") and transfer of own shares in relation to LTIP 2014 in accordance with items 18 a) and b).

a) Introduction of LTIP 2014

LTIP 2014 in brief

The Board of Director's main objective with the proposal of LTIP 2014 is to strengthen BillerudKorsnäs' capability to attract, motivate and retain the best talent for key leadership positions. The aim is further that executive officers and other key employees and talents within the BillerudKorsnäs group shall be stimulated to increased efforts by aligning their interests and perspectives with those of the shareholders.

LTIP 2014 comprises up to 75 executive officers, other key employees and talents within the BillerudKorsnäs group. To participate in LTIP 2014, the participants must own BillerudKorsnäs shares. Such shares could be previously held, provided that they are not already allocated to the long term incentive programs adopted 2012 or 2013, or purchased on the market. Notification of participation in LTIP 2014 occurs after the AGM 2014. Thereafter, the participants will be allotted BillerudKorsnäs shares, free of charge, after the vesting period of three years, commencing after the 2014 Annual General Meeting and ending in conjunction with the publication of BillerudKorsnäs' first quarter report for the year 2017, provided that certain conditions are fulfilled.

LTIP 2014 has the same structure as earlier long-term incentive programs (2010-2013), but the number of participants has been increased from 25 members in the long-term incentive program for 2013 to 75 participants in LTIP 2014.

Participants in LTIP 2014

LTIP 2014 comprises up to 75 persons consisting of the CEO, the Executive Vice President and the other members of the Senior Management Team, other key employees and talents within the BillerudKorsnäs group.

Personal investment and allotment of share rights

To participate in LTIP 2014, the participants must purchase BillerudKorsnäs shares at market price on NASDAQ OMX Stockholm ("Saving Shares"). Previously held BillerudKorsnäs shares, which are not already allocated to the long term incentive programs 2012 or 2013, may also be allocated as Saving Shares.

Participants in Category 1 (the CEO of BillerudKorsnäs), Category 2 (the Executive Vice President and the CFO of BillerudKorsnäs) and Category 3 (22 executive officers and other key employees in BillerudKorsnäs) are offered to allocate Saving Shares not exceeding a number equal to 10 per cent of the participant's gross base salary as per year end 2013 divided by the closing price of the BillerudKorsnäs share per the last trading day of 2013, i.e. 31 December 2013 (SEK 81.25) (the "Closing Price"). Participants in Category 4 (50 key employees and talents in BillerudKorsnäs) are offered to allocate no more than 500 Saving Shares to LTIP 2014.

Saving Shares shall be purchased or allocated to the program in connection with the notification to participate in LTIP 2014. If the participant has insider information which prevents him/her from purchasing BillerudKorsnäs shares in connection with the notification to participate in LTIP 2014 the shares shall be purchased as soon as possible, but prior to the next Annual General Meeting.

New employees that have not yet commenced their employment at the time when notification to participate in the program at the latest shall be given, may, upon the condition that the employment commences during 2014, be offered to participate in the program, if the Board of Directors or the Remuneration Committee deems it to be in line with the purpose of LTIP 2014.

For each Saving Share that the participant invests in and allocates to LTIP 2014, the participant is, free of charge, allotted 1 matching share right ("Matching Share Right") 3 performance share rights ("Performance Share Right") (together referred to as "Share Rights"). However, the CEO (Category 1) will be allotted 1 Matching Share and 5 Performance Share Rights for each Saving Share allocated to LTIP 2014 and the Executive Vice President and the CFO (Category 2) will be allotted 1 Matching Share and 4 Performance Share Rights for each Saving Share allocated to LTIP 2014. Provided that the conditions set out below are fulfilled, the Share Rights entitle to allotment of BillerudKorsnäs shares as described below. Allotment of shares in BillerudKorsnäs will be made, free of charge, after the release of the interim report for the period January – March 2017.

Matching Share Right

For each Saving Share that the participant invests in and allocates to LTIP 2014, the participant is, free of charge, allotted 1 Matching Share Right, which entitles the participant to, free of charge, receive 1 BillerudKorsnäs share. Allotment requires, with certain exceptions, that the participant is still employed by the BillerudKorsnäs Group and has retained the Saving Shares at the release of the interim report for the period January – March 2017.

For half (50%) of the Matching Share Rights allotted to the participant, another condition for allotment of BillerudKorsnäs shares is that the total shareholder return (TSR) on the BillerudKorsnäs share during the financial years 2014-2016 exceeds zero (0) per cent.

Performance Share Right

For each Saving Share that the participant invests in and allocates to LTIP 2014, the participant is, free of charge, allotted 3 Performance Share Rights. However, the CEO (Category 1) will be allotted 5 Performance Share Rights for each Saving Share allocated to LTIP 2014 and the Executive Vice President and the CFO (Category 2) will be allotted 4 Performance Share Rights for each Saving Share allocated to LTIP 2014. The Performance Share Rights are divided into three series, series A-C. For all participants, except the CEO (Category 1), the Executive Vice President and the CFO (Category 2), each Saving Share entitles to 1 Performance Share Right of each series. For the CEO

BILLERUDKORSNÄS

(Category 1) each Saving Share entitles to 2 Performance Share Rights of series A, 1 Performance Share Right of series B and 2 Performance Share Rights of series C. For the Executive Vice President and the CFO (Category 2) each Saving Share entitles to 1.5 Performance Share Rights of series A, 1 Performance Share Right of series B and 1.5 Performance Share Rights of series C.

The allotment of BillerudKorsnäs shares due to Performance Share Rights of Series A-C requires that the conditions for the Matching Share Rights regarding continued employment and retained holding of Saving Shares are fulfilled. In addition, allotment of BillerudKorsnäs shares due to Performance Share Rights requires fulfillment of certain performance conditions. The performance conditions vary for the respective series and are based on financial goals during the financial years 2014-2016. The Board of Directors intends to present whether the conditions have been fulfilled in the annual report of 2016.

Series A The performance condition for the Performance Share Rights of series A relate to BillerudKorsnäs' average operating margin for the period 2014-2016 ("EBIT Margin") (for the purposes of determining the level of fulfillment of the performance targets, EBIT Margin for BillerudKorsnäs will be adjusted so to be unaffected if the average currency exchange rates during 2014-2016 deviates more than five per cent compared to year-end 2013). The maximum level of allotment under the performance conditions is an EBIT Margin of 11.5 per cent and the minimum level of allotment is an EBIT Margin exceeding 8.5 per cent. If the EBIT Margin amounts to the maximum level of 11.5 per cent or more, maximum allotment of 1 BillerudKorsnäs share per Performance Share Rights of series A shall be made. If the EBIT Margin should be lower than 11,5 per cent, but exceeding the minimum level of 8.5 per cent, a linear reduction of the allotment of BillerudKorsnäs shares shall be made. If the EBIT Margin amounts to 8.5 per cent or less, the Performance Share Rights of series A shall not entitle to allotment of BillerudKorsnäs shares.

Series B The performance condition for the Performance Share Rights of series B relate to BillerudKorsnäs' EBITDA margin in comparison with the average EBITDA margin for the period 2014-2016 for a peer group of certain selected companies ("Comparing EBITDA-margin"). The peer group consists of companies and their business areas with businesses including production and sale of pulp, paper and board as well as packaging materials and packaging solutions made thereof, that the Board of Directors has considered to be comparable to BillerudKorsnäs. The Board of Directors or the Remuneration Committee shall be authorized, in particular situations, to adjust the peer group's composition. The peer group is composed by Mondi's segment Europe and International Packaging Paper, Smurfit Kappa Group, Stora Enso's segment Renewable Packaging, Mead Westvaco's segment Food & Beverage and Home, Health & Beauty, Klabin, Metsä Board's segment Paperboard and Nine Dragon Paper. If BillerudKorsnäs' EBITDA-margin exceeds Comparing EBITDA-margin, maximum allotment of 1 BillerudKorsnäs share per Performance Share Rights of series B shall be made. If BillerudKorsnäs' EBITDA-margin is the same or lower than Comparing EBITDA-margin, the Performance Share Rights of series B shall not entitle to allotment of BillerudKorsnäs shares.

Series C The performance condition for the Performance Share Rights of series C relate to BillerudKorsnäs' total shareholder return for the period 2014-2016 ("TSR") in comparison with the total shareholder return for the period 2014-2016 for a comparative index ("Comparing TSR Index") based

- (i) to 70 per cent on an index over total shareholder return for a peer group of certain selected listed Nordic companies with businesses including production and sale of pulp, paper and board as well as packaging materials and packaging solutions made thereof (consisting in equal parts of Ahlstrom, Holmen, M-real, Munksjö, SCA, Stora Enso and UPM). The lowest and highest quotation of total shareholder return in the peer group shall be excluded in the

BILLERUDKORSNÄS

calculation. The Board of Directors or the Remuneration Committee shall be authorized, in particular situations, to adjust the peer group's composition.

- (ii) to 30 per cent on SIX Return Index based on total shareholder return on companies listed on NASDAQ OMX Stockholm.

The maximum level of allotment under this performance condition is that TSR exceeds Comparing TSR Index by 10 percentage points or more and the minimum level is that TSR exceeds Comparing TSR Index. If BillerudKorsnäs' TSR exceeds Comparing TSR Index by 10 percentage points or more, maximum allotment of 1 BillerudKorsnäs share per Performance Share Rights of series C shall be made. If BillerudKorsnäs' TSR exceeds Comparing TSR Index, however with less than 10 percentage points, a linear reduction of the allotment of BillerudKorsnäs shares shall be made. If BillerudKorsnäs' TSR amounts to, or is less than Comparing TSR Index, the Performance Share Rights of series C shall not entitle to allotment of BillerudKorsnäs shares.

Terms and conditions for the Share Rights

In addition to what has been stated above, the following terms and conditions apply for both the Matching Share Rights and the Performance Share Rights:

- The Share Rights are allotted, free of charge after the Annual General Meeting 2014.
- The participants are not entitled to transfer, pledge or dispose the Share Rights or perform any shareholder's rights regarding the Share Rights.
- Allotment, free of charge, of BillerudKorsnäs shares, on the basis of the Share Rights, will take place after the publication of BillerudKorsnäs' first quarter report for the year 2017.
- BillerudKorsnäs will make no adjustments or compensations to the participants of LTIP 2014 due to dividend regarding the shares that the respective Share Right qualifies for.
- The maximum profit per participant is limited to an amount of SEK 300 per Share Right, equal to a maximum of approximately 27 monthly salaries for Category 1, approximately 22 monthly salaries in average for Category 2, approximately 18 monthly salaries in average for Category 3 and approximately 13 monthly salaries in average for Category 4. The calculation for participants in Category 1 – Category 3 shall be done based on the salary on which the calculation of the number of Saving Shares that the participant has a right to purchase has been done (see *Personal investment and allotment of share rights* above). In the event that the profit, when calculating the allotment according to LTIP 2014, should exceed this maximum limit of SEK 300 per Share Right, adjustment shall be made by consequently decreasing the number of BillerudKorsnäs shares that the participant is entitled to receive.

Detailed terms and administration

The Board of Directors, or the Remuneration Committee, shall be responsible for determining the detailed terms and administration of LTIP 2014 to be applicable between BillerudKorsnäs and the participant, however within the scope of herein given frames and directions. The Board of Directors or the Remuneration Committee shall be authorised to make adjustments to fulfil certain rules or market prerequisites in other jurisdictions. If delivery of shares cannot be accomplished at reasonable costs and with reasonable administrative efforts to persons outside Sweden, the Board of Directors or the Remuneration Committee shall be entitled to decide that the participating person may instead be offered a cash based settlement. The Board may also make other adjustments, including e.g. a right to resolve on a reduced allotment of shares, if material changes would occur within the BillerudKorsnäs Group or on the market that, according to the Board's assessment, would lead to that the resolved terms and conditions for allotment of shares under LTIP 2014 no longer fulfils the main objectives.

Scope

BILLERUDKORSNÄS

In total, LTIP 2014 comprises a maximum of 84,069 Saving Shares, which can lead to allotment of in total a maximum of 364,705 BillerudKorsnäs shares (a maximum of 84,069 due to the Matching Share Rights and a maximum of 280,636 due to the Performance Share Rights). An additional 90,000 BillerudKorsnäs shares are assigned for shares that can be transferred by BillerudKorsnäs in order to hedge certain costs, mainly social security costs. The maximum number of BillerudKorsnäs shares which are included in the LTIP 2014 are thus 454,705, which correspond to approximately 0.2 per cent of the number of outstanding shares and votes in BillerudKorsnäs.

The number of shares included in the LTIP 2014 which can be transferred to the participants shall be subject to recalculation due to bonus issues, consolidation or share split, new issue of shares or similar measures carried out by BillerudKorsnäs according to accepted practice for similar incentive programs.

In total, LTIP 2014 comprises a maximum of 454,705 BillerudKorsnäs shares. On 31 December 2013, the previously adopted long-term incentive programs, LTIP 2011, LTIP 2012 and LTIP 2013, comprised a maximum of 765,201 BillerudKorsnäs shares, including shares which are assigned for shares to be transferred by BillerudKorsnäs in order to hedge certain costs, mainly social security costs. LTIP 2014 together with LTIP 2011, LTIP 2012 and LTIP 2013 would entail a dilution of shares of approximately 0.4 per cent of the number of outstanding shares and votes in BillerudKorsnäs.

Hedging

In order to secure delivery of BillerudKorsnäs shares under LTIP 2014, the Board of Directors proposes that the Board of Directors shall have the right to decide on alternative methods for transfer of BillerudKorsnäs shares under LTIP 2014. The Board of Directors therefore proposes that the Annual General Meeting decides to transfer own treasury BillerudKorsnäs shares to the participants or to enter into so-called equity swap agreements with a third party in order to meet the requirements under LTIP 2014. The Board of Directors considers the first alternative to be the most cost efficient and flexible arrangement for the transfer of BillerudKorsnäs shares to the participants.

Also, the Board of Directors proposes that the Company shall have the right to transfer own treasury shares at NASDAQ OMX Stockholm in order to cover certain costs, mainly social security costs as a result of resolved incentive programs 2011-2014.

Estimated costs and values of the LTIP 2014

The Board of Directors has estimated the average value of each Share Right to SEK 59.60. The estimation is based on generally accepted valuation models using the closing price for the BillerudKorsnäs share on 17 March 2014, statistics on the share price development as well as projected dividends. The aggregate estimated value of the 84,069 Matching Share Rights and 280,636 Performance Share Rights, based on a 50 per cent fulfillment of the performance conditions and estimations on turnover of personnel, is approximately MSEK 13.0. The value is equivalent to approximately 0.1 per cent of the market capitalisation for BillerudKorsnäs as of 17 March 2014. The costs are treated as a staff cost in the profit and loss accounts and it is expensed over the first 36 months in accordance with IFRS 2 on share-based payments. In the profit and loss accounts, social security costs will accrue in accordance with UFR 7 during the vesting period. The size of these costs will be calculated on the BillerudKorsnäs share price development during the vesting period and allotment of the shares. Based on a theoretical assumption of a yearly increase of 10 per cent of the share price and a vesting period of three years, the cost for LTIP 2014 including social security costs is approximately MSEK 19.5, which on a yearly basis equals to approximately 0.2 per cent of BillerudKorsnäs' total staff costs for the financial year 2013. The maximum cost for LTIP 2014, based on the above assumptions, is estimated to be approximately MSEK 56.1, including MSEK 34.4 in social security costs.

Effects on key ratios

In the event of full participation in LTIP 2014, BillerudKorsnäs' staff costs are expected to increase with approximately MSEK 6.5 annually. On a proforma basis for 2013, these costs equals a marginal negative effect on BillerudKorsnäs' operating margin earnings per share.

Nevertheless, the Board of Directors considers that the positive effects on the result, which are

BILLERUDKORSNÄS

expected to arise from the increase of the shareholding by executive officers and key employees and which, in addition, may further be expanded by the shareholding in LTIP 2014, exceed the costs related to LTIP 2014.

The preparation of the proposal

LTIP 2014, which is based on the previous long-term incentive programs, has been initiated and prepared by the BillerudKorsnäs' Remuneration Committee and Board of Directors together with external advisors.

Other incentive programs in BillerudKorsnäs

Please refer to BillerudKorsnäs' annual report or the company website www.billerudkorsnas.com for a description of all other share based incentive programs in BillerudKorsnäs. BillerudKorsnäs has no other share-based incentive programs than those described there.

b) Transfer of own treasury shares to the participants in LTIP 2014

The Board of Directors proposes that the Annual General Meeting resolves on transfer of a maximum of 364,705 BillerudKorsnäs shares held in treasury to the participants in LTIP 2014 (or the higher number of shares that may result from recalculation under the terms of the LTIP 2014).

Transfer of shares to the participants shall be made free of charge in accordance with the terms of LTIP 2014.

c) Equity swap agreement with third party

The Board of Directors proposes that the Annual General Meeting resolves that the expected financial exposure of LTIP 2014 may as an alternative be hedged by BillerudKorsnäs entering into an equity swap agreement with a third party on terms and conditions in accordance with market practice, whereby the third party in its own name may acquire and transfer BillerudKorsnäs shares to the participants in LTIP 2014.

d) Transfer of own treasury shares to cover costs as a result of resolved incentive programs

The Board of Directors proposes that the Annual General Meeting resolves that the Company, prior to the Annual General Meeting 2015, shall have the right to transfer own shares in order to hedge certain costs, (mainly social security costs) relating to resolved long term incentive programs in BillerudKorsnäs on the following terms: a maximum of 64,000 shares in relation to the long term incentive program adopted 2011; a maximum of 57,000 shares in relation to the long term incentive program adopted LTIP 2012; a maximum of 76,000 shares in relation to the long term incentive program adopted 2013; and a maximum of 90,000 shares in relation to LTIP 2014.

Transfer of the shares under this item, shall be effected at NASDAQ OMX Stockholm at a price within the price interval registered at each time for the share.

Specific majority requirements and conditions for the Board's proposals under item 18

To be valid, the Meeting's decision concerning items 18 a) and c) must gain the support of shareholders representing at least half of the votes cast by shareholders attending the Meeting and to be valid, the Meeting's decision concerning item 18 b) must gain the support of shareholders representing at least nine-tenths of both the votes cast and the shares represented at the Meeting. To be valid, the Meeting's decision concerning item 18 d) must gain the support of shareholders representing at least two-thirds of both the votes cast and the shares represented at the Meeting

The Board of Directors' proposal pursuant to item 18 a) is conditional on that the Meeting resolves in accordance with the Board of Directors' proposal under item 18 b) or 18 c).

The Meeting's decision that the Company shall have the right to transfer of own shares to cover costs as a result of LTIP 2014 under item 18 d) is conditional on that the Meeting resolves in accordance with the Board of Directors' proposal under item 18 a).

Statement of Auditor in accordance with Chapter 8, Section 54 of the Swedish Companies Act (SFS 2005:551), on whether or not the guidelines adopted by the Annual General Meeting regarding remuneration to Group Executive Management have been complied with

To the Annual General Meeting of BillerudKorsnäs AB (publ), corporate identity. 556025-5001

We have examined whether the Board of Directors and the Managing Director of BillerudKorsnäs AB (publ), during the year 2013 have complied with the guidelines on remuneration to Group Executive Management, which were adopted at the General Annual Meeting on 9 May, 2012 and the General Annual Meeting on 7 May, 2013, respectively.

Responsibilities of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director are responsible for compliance with the guidelines and for the internal control the Board of Directors and the Managing Director determines is necessary to ensure compliance with the guidelines.

Auditor's responsibility

Our responsibility is to issue a report, based on our examination, to the Annual General Meeting regarding whether the guidelines have been complied with. The examination has been performed in accordance with FAR's recommendation RevR 8 Granskning av ersättningar till ledande befattningshavare i aktiemarknadsbolag (Examination of Remuneration to Group Management in Listed Companies). Those standards require us to comply with the ethical requirements, and also to plan and perform the examination in such a manner that we may obtain reasonable assurance about whether the guidelines on remuneration have been complied with.

The examination has covered the company's organization and documentation of issues concerning remuneration for Group Executive Management, any and all new decisions concerning remuneration, as well as a selection of the financial year's payments to Group Executive Management. The procedures selected depend on the auditor's judgement, including the assessment of the risk that the guidelines have not, in all material respects, been complied with. In making this risk assessment, the auditor considers internal control relevant to the company's compliance with the guidelines in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

We believe that our examination provides a reasonable basis for our conclusion.

Conclusion

It is our opinion that the Board of Directors and the Managing Director of BillerudKorsnäs AB (publ), during the year 2013, in all material respect, complied with the guidelines on remuneration to Group Executive Management, which were adopted by the General Annual Meeting on 9 May, 2012 and 7 May, 2013, respectively. As is evident from the report by the Board in accordance with Section 10.3 of the Swedish Code of Corporate Governance, the Company deviates from the guidelines regarding a senior executive who is entitled to a notice period of 18 months.

BillerudKorsnäs Nomination Committee's explanatory statement regarding the proposal for election of the Board of Directors at the Annual General Meeting 2014

BillerudKorsnäs Nomination Committee

In October, 2013 it was announced, in accordance with the resolution on BillerudKorsnäs' Annual General Meeting, that the Nomination Committee for the 2014 Annual General Meeting in BillerudKorsnäs consisted of Mia Brunell Livfors, appointed by Investment AB Kinnevik, Michael M.F. Kaufmann, appointed by Frapag Beteiligungsholding AG, Björn Franzon, appointed by Swedbank Robur fonder and Frank Larsson, appointed by Handelsbanken fonder.

In December 2013 ownership changes occurred in BillerudKorsnäs among the major shareholders in connection with Investment AB Kinnevik's sale of its shareholding in BillerudKorsnäs. In accordance with the instructions for appointment of the Nomination Committee, the composition of the committee was changed and Mia Brunell Livfors and Frank Larsson have resigned from the Nomination Committee. The members of the newly composed Nomination Committee, appointed by the major shareholders in the company based on known shareholding as per 30 December 2013, are Michael M.F. Kaufmann, appointed by Frapag Beteiligungsholding AG, Mathias Leijon, appointed by Nordea Fonder, Björn Franzon, appointed by Swedbank Robur fonder and Peder Hasslev, appointed by AMF Försäkring & Fonder. Michael M.F. Kaufmann is Chairman of the Nomination Committee, as he has been the appointed by the shareholder owning most shares in BillerudKorsnäs following the ownership changes. The four members of the Nomination Committee are appointed by shareholders that together represent approximately 35 per cent of the votes in BillerudKorsnäs

Shareholders have been able to submit proposals to the Nomination Committee via mail and e-mail, but no proposals have been received.

The Nomination Committee's proposal for election of the Board of Directors

As a consequence of Investment AB Kinnevik's sale of its shareholding in BillerudKorsnäs, the Board members Mia Brunell Livfors, Wilhelm Klingspor and Mikael Larsson have informed the Nomination Committee that they will not stand for re-election. The Chairman and Board member Hannu Ryöppönen has also declined re-election.

In view of the evaluation made by the Nomination Committee it is proposed that:

- BillerudKorsnäs shall have seven Board members elected by the Annual General Meeting.
- With exception for the Board members that will not stand for re-election all current Board members shall be re-elected, i.e. Jan Homan, Lennart Holm, Gunilla Jönson and Michael M.F. Kaufmann.
- Bengt Hammar, Mikael Hellberg and Kristina Schauman shall be elected to the Board of Directors.
- Lennart Holm shall be elected as Chairman of the Board.
- Michael M.F. Kaufmann shall be elected as Vice Chairman of the Board.

Explanatory statement

The Nomination Committee has held five formal meetings with additional contact between the meetings. As the basis for its work, the Nomination Committee has had, among others, an evaluation of the Board and its work, as well as interviews with the nominees proposed for new election.

In the nomination work for this year's Annual General Meeting, the Nomination Committee has made

BILLERUDKORSNÄS

an assessment of the composition and size of the current Board as well as the BillerudKorsnäs' operations. Areas of particular interest have been BillerudKorsnäs strategies and goals and the demands on the Board that are expected from the group's positioning for the future. The Nomination Committee has found that the work within the Board is carried out well. However, the changes in the composition of the Board of Directors due to the ownership changes in BillerudKorsnäs require that additional competences should be added to the Board of Directors.

The Nomination Committee considers that the proposed election of Bengt Hammar as new Board member will strengthen the Board's competence and experience regarding industrial knowledge within forest products and packaging materials. Bengt Hammar will also bring complementary expertise in the areas of strategic planning and M&A.

The Nomination Committee considers that the proposed election of Mikael Hellberg as new Board member will strengthen the Board's competence and experience within finance and accounting. Mikael Hellberg will also bring complementary expertise regarding the retail sector and consumer goods.

The Nomination Committee considers that the proposed election of Kristina Schauman as new Board member will strengthen the Board's competence and experience within M&A and debt financing. Kristina Schauman will also bring complementary accounting expertise.

The Nomination Committee has found that the proposed Board has the competence and experience considered important to BillerudKorsnäs and that the composition and the size of the proposed Board is appropriate to meet BillerudKorsnäs' needs. The Nomination Committee also strives for a variety as regards gender, age, nationality, educational background and term of office.

Finally, it is noted that the Nomination Committee has found that the proposed Board is considered to be in compliance with relevant requirements for independence.

BILLERUDKORSNÄS

Report by the Board of BillerudKorsnäs AB (publ) in accordance with Section 10.3 of the Swedish Code of Corporate Governance, for the Annual General Meeting 2014, regarding the Remuneration Committee's evaluation

Introduction

The Remuneration Committee, which is established by the Board of BillerudKorsnäs AB (publ) ("BillerudKorsnäs"), monitors and evaluates annually the current remuneration structures and remuneration levels in the company. The Remuneration Committee also monitors and evaluates ongoing and completed programs for variable remuneration as well as the application by the AGM's adopted guidelines for remuneration to senior executives ("Guidelines"). The Board of BillerudKorsnäs hereby provides, in accordance with section 10.3 of the Swedish Code of Corporate Governance, its report on the results of the evaluation performed by the Remuneration Committee.

Remuneration of the CEO and other members of the senior management team consists of fixed salary, variable remuneration, long-term share based incentive programs and other benefits such as company cars and pension schemes. This form of remuneration is intended to motivate the senior management team to do their utmost to ensure the company' and the shareholders' interests.

Variable remuneration

The variable remuneration of the BillerudKorsnäs senior management team consists of a short-term cash based variable remuneration program and a long-term share based incentive program.

The short-term cash based variable remuneration models run for one financial year at the time and are based on predetermined, measurable financial and individual goals. At the end of the term, the individual manager's performance is evaluated from the predetermined objectives considering competence, area of responsibility and performance. The variable cash based remuneration is paid only if the company's operating result is positive and shall be a maximum of a fixed percentage of the annual fixed salary and can according to the applicable Guidelines vary between 30% and 50%.

The company currently has three existing long-term share based incentive programs, adopted by the 2011 Annual General Meeting ("LTIP 2011"), the 2012 Annual General Meeting ("LTIP 2012") and the 2013 Annual General Meeting ("LTIP 2013"). The programs are in all material respects based on the same principles. LTIP 2011 includes 8 persons, LTIP 2012 includes 16 persons and LTIP 2013 includes 24 persons, which all are executive officers and other key employees in the BillerudKorsnäs Group, identified as essential to the future development of the BillerudKorsnäs Group. In order to participate, the participants must invest in own BillerudKorsnäs shares. The programs have a vesting period of three years and are based on the condition of continued employment and investment and the fulfillment of certain pre-determined financial and share price related performance criteria. Provided these conditions are met, participants may at the end of the vesting period be allotted shares in BillerudKorsnäs free of charge, in proportion to their own initial investment in BillerudKorsnäs shares.

For further information about the long-term share based incentive programs, please refer to the company's annual report and information on the company's website.

Evaluation of programs for variable remuneration

As regards the short-term cash based variable remuneration in 2013 for the CEO and other members of the senior management team, the Remuneration Committee has evaluated the objectives and target areas of 2013 in respect of the variable remuneration. In 2013, the outcome of the variable cash based remuneration was 33.1 per cent for the CEO and 20.8 per cent on average for the senior management team.

In 2013, the Remuneration Committee carried out an evaluation of the long-term share based incentive programs. The evaluation shows that the pre-determined financial and share price related performance criteria for the programs are considered as relevant. The evaluation also shows that the participants believe that each respective program contributes to aligning the participants' interests and perspectives with those of the shareholders. In light of this evaluation, the Remuneration Committee considers that long-term share based incentive programs strengthen BillerudKorsnäs's capability to retain the best talent for key leadership positions and encourage participants to increased efforts by aligning their interests and perspectives with those of the shareholders. On the basis of the Remuneration Committee's evaluation, the Board can thus lay down that the existing programs for variable remuneration are appropriately designed and has therefore proposed to the 2014 Annual General Meeting to introduce a new long-term share based incentive program ("LTIP 2014") based on, essentially, the same principles as the other long-term share based incentive programs, except that the program has been increased to include up to 50 additional participants consisting of talents and other key employees within BillerudKorsnäs.

Evaluation of guidelines for remuneration to senior executives and information regarding deviation from the guidelines pursuant to Ch 8 Sec 51 of the Swedish Companies Act

As regards the application of the Guidelines, the Remuneration Committee has found that the Guidelines have been appropriate and applied in accordance with their terms during 2013, with one exception. On one occasion the Board has considered that there were special circumstances at hand that motivated a deviation from the Guidelines. The deviation concerns an agreement entered into with a senior executive entitling to a notice period of eighteen (18) months. The agreement has been entered into in order to fulfil a previous commitment that was made before the combination between Billerud and Korsnäs was completed. It is against this background that the Board has resolved to deviate from the Guidelines at one occasion.

The company's auditor has provided a statement to the Board that BillerudKorsnäs has complied with the Guidelines as established by the 2013 and 2012 Annual General Meetings respectively. The auditor has noted that the Board has exercised its right to deviate from the Guidelines as set forth in the paragraph above.

Compensation structures and compensation levels

The Remuneration Committee has established that the structures and levels of remuneration applied in the company have been in accordance with the market and thus provide the pre-conditions necessary to recruit and retain a senior management with high competence and skills to achieve the goals which have been set.

BILLERUDKORSNÄS

Proposal by the Board of BillerudKorsnäs AB (publ) for appropriation of profit and motivated statement in accordance with Chapter 18 Section 4 of the Swedish Companies Act (item 10b on the Agenda)

The Board of Directors proposes that the Annual General Meeting on 6 May 2014 decides to pay a dividend of SEK 2.25 per share. The Board of Directors proposes Friday 9 May 2014 as record day for the dividend. If the Meeting approves the Board's proposal, payment via Euroclear Sweden AB is expected to be sent on Wednesday 14 May 2014.

The Board submits the following motivated statement in accordance with Chapter 18 Section 4 of the Swedish Companies Act (2005:551):

As presented on page 52 of the 2013 annual report, non-restricted shareholders' equity in the parent company, BillerudKorsnäs AB, amounted to SEK 5,334,234,443 on 31 December 2013. The Board of Directors of BillerudKorsnäs proposes that the dividend for 2013 shall be SEK 2.25 per share, equalling a total of approximately MSEK 465. The Board of Directors of BillerudKorsnäs's proposal means that the dividend for 2013 will be 68 % of the group's net profit. The remaining amount shall be carried forward in a new account. The reason for this proposal is as follows:

According to BillerudKorsnäs's financial targets, the dividend shall be 50% of the net profit per share over a business cycle and the net debt/equity ratio shall be 0.9 times. At the end of 2013 BillerudKorsnäs's net debt/equity ratio was 0.78, which is lower than target. The Board of Directors of BillerudKorsnäs proposes that of the year's profit of SEK 3.24 per share, a dividend of SEK 2.25 per share shall be distributed to the shareholders and that the remaining amount shall be carried forward in a new account.

Relating to the above, the Board of Directors of BillerudKorsnäs believes that the proposed dividend appear to be justified taking into consideration;

1. the demands with respect to size of shareholders' equity which are imposed by the nature, scope and risks associated with the operations of BillerudKorsnäs (and also the BillerudKorsnäs group), and
2. BillerudKorsnäs's (and also the BillerudKorsnäs group) need to strengthen its balance sheet, liquidity and financial position in general.
